

# Monster Diversity Network

## Attract a diverse and productive workforce

Nearly 50% of recruiters are dissatisfied with their current recruiting tools.<sup>1</sup>

What if you could attract more talented candidates simply by extending the reach of your recruitment brand?

The Monster Diversity Network lets you reach top diversity candidates and position your organization as a company of choice. Our Diversity Network offers access to more than 18.7 million unique visitors<sup>2</sup> through our exclusive community across diversity career websites and media partnerships.

### Supercharge Your Diversity Hiring

Our comprehensive diversity & inclusion hiring solutions channel diverse candidates straight to you. We'll help your organization bolster its competitive advantage and develop a more vibrant, productive workforce. We offer a wide range of diversity products, such as:

#### Targeted Job Ads

Extend your reach to select members of the Monster Diversity Network and help meet EEO/AA/OFCCP compliance objectives with Diversity job ads that mirror your Monster jobs.

#### Precision Resume Searches

Tap into more than 4.1 million<sup>4</sup> diverse resumes from Monster users who have identified themselves as diverse.

#### Exclusive Media Advertising

Target and engage a diverse audience with a range of media offerings across Monster and the Monster Diversity Network.
